Dear Colleagues,

I would like invite You on behalf the EUPOS initiative and EUPOS 2021 meeting local organiser to the 7<sup>th</sup> EUPOS<sup>®</sup> Council and Technical Meeting which will be held on the 9-10 November 2021 in hybrid form in Bucharest, Romania. The event is organised by EUPOS and will be hosted by the National Center for Cartography in Romania.

Colleagues from the National Center for Cartography have prepared the event web-page <https://eupos.co>, where you can find all important information to your participation. Please be so kind to confirm your participation either physical or online (Zoom platform will be used) not later than 31 October 2021 using registration form available on prepared web page. If you need a visa for the entry, please contact local organisers ([miluta.flueras@cngcft.ro](mailto:miluta.flueras@cngcft.ro) or [info@eupos.co](mailto:info@eupos.co)) as soon as possible.

On the 7<sup>th</sup> EUPOS<sup>®</sup> Technical Meeting we plan to discuss beside standard agenda topics also topics related to experience with network GNSS signal jamming or interference, validation of GNSS services (private as well), RTK measurements with Galileo and BeiDou and other. To present this experience we have tried to invite some experts.

On the other hand, we would like ask You to prepare traditional institutional/national report of your institution/country. Please focus it on GNSS network infrastructure, news and your experience with upper mention topics (Galileo+BeiDou experience, GNSS jamming or interference experience) and on the status of private GNSS network / service acceptance in your country. I would like also ask **EUPOS<sup>®</sup>** WG leaders to prepare as well presentations about WG status and activities from the last meeting.

Finally you are kindly requested to send us ([branislav.droscak@skgeodesy.sk](mailto:branislav.droscak@skgeodesy.sk) and [miluta.flueras@cngcft.ro](mailto:miluta.flueras@cngcft.ro)) other interesting topics for the **EUPOS<sup>®</sup>** Council and Technical Meeting agenda not later than 30.10.2021. Thank you very much in advance.

Stay Healthy and we are looking forward to seeing you personally in Bucharest.

With kind regards

Branislav Droščák  
EUPOS chairman
